

Home

Where is home for you?
Some say, home is where the heart is –
Others call it that place where they belong.
Where do you belong?
Where do you feel most comfortable –
Far away
Or where you were born?

Within the space of your four own walls,
And under a roof,
And with a door ...
Or outside,
Under the sky,
And under the sun?
Or with your mum?

Or with your dad,
Or with ...
Who knows,
Who cares,
Is home
Not
Om?

Where does
Your striving
Lead you to?
Are you
Like the plant,
Are you growing away –
Or toward –
the sun,
Without whose light
You would have no home at all.
